Subject: RE: update on tire crumb report plans

Thanks Fitz. I will need to get a thumbs up from CDC-ATSDR so if there are any other suggestions, it'll be easier for me to know sooner rather than later.

Cheers,

jose

Jose,

Please see attached for edits to the cover letter. I have a couple of other comments I'll give you a call about but wanted to get these edits over to you sooner rather than later.

Thanks,

Fitz

Hi Fitz. Thanks for these. I've been working with the team on this and have some responses below in green. We will delay sending out the reports to the Army until all matters are resolved about the cover letters. Our hope is to get all letters out (Army, recycling plant, and community field owners) by Monday.

Best,

jose

Yes. Plz see attached.

(fyi: The recycling plant/community field owner letters are very similar.)

Good day to all. Thanks for the quick replies – it is most helpful. I have added some responses/clarifications in green below. Carolyn is correct about coordination with OLEM and I have provided some additional details below.

If there are any other questions or items needed, please let me know.

Best,

jose
